

Concord Family Association 2009 Artistic Scholarship Awards

Concord Family Association, or CFA, is pleased to announce the winners of this year's Artistic Scholarship Awards. A total of ten students auditioned for Artistic Scholarship judges in Vocal, Dance, Instrumental, and Visual Arts categories.

The recipients of the awards, from left to right in the picture below are;

- Sydney Anderson, sophomore, was awarded a \$1,000 scholarship towards the Vocal Academy for High School Students at Oberlin College for singing. Sydney received "1's" at Solo and Ensemble Festival this past year.
- Maureen O'Neill, sixth grader, was awarded a \$1,000 dance scholarship towards the Blue Lake Fine Arts Camp located in Twin Lakes, Michigan for dance.
- Sarah Boor, junior, was awarded a \$350 scholarship towards the Heather Raue Advance Dance Summer Program held at Crooked Tree Arts Center for dance.

There were many fine performances and selecting the winners was a challenge. We hope those who did not receive awards will try again next year, along with others who would benefit from scholarship support to further their arts related skills.

Special thanks to our guest adjudicator (judge), Dr. Bob Pattengale and those who provided assistance in conducting and judging the performances including Lara Cromwell, Ruth Knitter, Tana Nathe, Julie Stoppel, and Charisse Tietjen.

Congratulations to this year's Winners!
