Our Concord Academy Family works best when parents are involved. Please call and volunteer at least once during the school year. Every hour helps! CFA meetings are held on the second Tuesday of each month at 7:00 p.m. Visitors are always welcome. If you have other ideas of how CFA can benefit the Concord community or would like to facilitate a new team or event, please contact Nancy Raynal.

Mission: The Concord Family Association (CFA) shall promote the goals of Concord Academy. To this end, we will provide an organized network of parent volunteers to support and augment the educational opportunities provided by the teaching staff and administration, as well as foster a sense of community amongst the families of Concord Academy.

Parent volunteers sell pizza on Tuesdays as a fundraiser for CFA. Pizza is \$1.00 per slice. Send in \$10 and your student can purchase a pizza card good for 10 slices of pizza. You can set a weekly limit if desired.
