

Welcome to 4th/5th Grade!

Hello Class!

Summer is almost over and it's time to think about school! Many of you know me well as your 1st grade and for some, 2nd grade teacher. This year I am looking forward to starting 4th and 5th grade with all of you! Even though I have been teaching 1st grade since I came to Concord, I taught 4th and 5th at my previous school and I loved it! There is so much to learn in the upper elementary grades. I can't wait to get to discover lots of new things right along with you. I am planning tons of fun and interesting things for us and can't wait to get started!

Please remember that school begins on **September 3rd at 8:00**. I have enclosed a list of school supplies. If this is a financial hardship for your family, please let me know and I will be able to help. On August 27th we will have an Open House from 4:00- 6:00. I can't wait to see you and I will be able to answer questions that you may have. It's all coming up so quickly. Enjoy the last days of summer!

Sincerely,
