Mrs. Walker

Welcome to Dev. Kindergarten!

Hello! My name is Tami Walker. I have been teaching for 30 years! I had the pleasure of joining Concord the first year it was opened and taught there for 5 years until I received my Masters degree in School Administration. I was in school admin for two years and then began Watch Me Grow Child Dev. Center. Six years ago I came back to Concord to teach Dev. Kindergarten. I absolutely love DK and being back at Concord. I am silver certified in Whole Brain Teaching and am working on Gold certification.

I have been married to Tom Walker for 34 years. We sing Southern Gospel music in a trio throughout Michigan. We attend Trinity Missionary Church. As a family we have taken Tang Soo Doo (karate) for 3 years. We have two wonderful children: 23 year daughter, Keaton and a 11 years old son, TJ.
