

Welcome to Fourth Grade!

Dear Families,

I am so excited to begin the school year and to get to know your child. We will be spending the first few days of school getting to know each other, practicing our new routines and rules, and of course, learning!

You will find the attached supply list. We appreciate you bringing in what you can. School supplies can be expensive especially if you have more than one child. It is my goal to keep the list down to only necessary items. Please shop the sales. If you need assistance getting supplies, feel free to reach out.

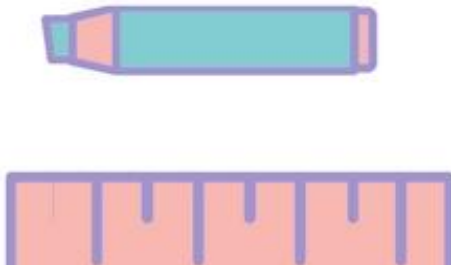

You may notice that I am a new face/name in the school, so I will introduce myself so that both you and your child will know a little about me before school starts. My name is Ms. Eaton and I am from Boyne City, Michigan. I attended Northern Michigan University in Marquette, graduating with a degree in Elementary Education. I absolutely love the outdoors, family and friends, and my cat, Oscar. I am looking forward to this school year as we learn together.

If you have any questions yet this summer, you can email me at oeaton@concordpetoskey.com.

Thank you so much.

Sincerely,

Ondrea Eaton
