

Greetings Parents and Guardians,

My name is Alise Robinson and I will be teaching the second semester of Spanish 1. I am looking forward to continuing my career in education here at Concord Academy of Petoskey! I previously taught elementary and middle school Spanish at Boyne City Public Schools. As well as Kindergarten at a bilingual school in La Ceiba, Honduras. I received my Bachelors degree from Grand Valley State University and my Masters degree from the University of Texas of the Permian Basin.

This school year, I decided to transition from full-time teacher to full-time mom and part-time teacher. 😊 My husband, our 2 year old daughter and I live in Harbor Springs with our pets. We have lived in Emmet County most of our lives and love the communities of northern Michigan. I am excited to further enrich the lives of students by sharing the Spanish language and the cultures of the countries that speak it. See you all soon!

Para mis estudiantes:

¡Hola! Me llamo Señora Robinson. Estoy emocionada por enseñar español en la academia de Concord Petoskey. Yo tuve la oportunidad de viajar a siete países hispanohablantes y tengo ganas de compartir el idioma y la cultura con ustedes. ¡Nos vemos pronto!

Sincerely,

*Sra. Alise Robinson*
