

Welcome, I am Cindy McCune

Teaching - Present: Science - at Concord Academy Petoskey - 5.5 years with amazing staff and students.

Past: Science - before the earth cooled watching salt accumulate where present day Detroit is located and wondering about sinkholes and keeping track of Andy the Archeopteryx whom I nursed back to health but then subsequently disappeared without so much as a postcard home. But as you can see I am over it and have moved on.

Not Teaching - Present: Family - Glen, Tanner, Rainy, etc.

Breed golden retrievers

Art Gallery - Yellow Dog Gallery

Artwork - wood carving, newbie blacksmithing, etc.

Hunting - deer, pheasant, grouse, etc.

Past: Falconry

Wildlife Rehabilitation

Homeschooled kids

Coaching - basketball, softball

Artwork - just more, and a lot more where that came from

VW bus - Alaska

Go Forth, Be Academically Accountable, and be Curious
